

Appl. No. 10/755,453
Reply to Office action of March 13, 2006

Page 10

REMARKS/ARGUMENTS

Claims 1-7, 14-19, 21 and 23-27 have been cancelled. Claim 8 has been amended to include the text of claim 1. Also, in line 4 of the now corrected claim 8, "a" has been inserted before "compressed gas" to provide antecedent basis.

Since claims 5 and 23 are now cancelled, the required drawing corrections should no longer be necessary.

Claims 1-21 and 23-26 are rejected under 35 U.S.C. 112, second paragraph. Since claim 8 (incorporating claim 1) now includes antecedent basis for "compressed gas" claims 8-13, 19 & 20 should now be in condition for allowance.

Applicants have cancelled rejected claims 1-7, 14-18, 21 and 23-27. Accordingly, it is not necessary to respond to the claim rejections under 35 U.S.C. 102 and 103.

Applicants believe the application is now in condition for allowance with now pending claims 8-13, 19, 20 and 28-42. If the Examiner should have further questions regarding this application he is invited to call applicants' representative.

Respectfully submitted,

Mark Goldberg
Attorney for Applicants
